CLASSIFICATION

standard Sheet:	III (CEE 7)
rated current (A)	16A
rated voltage (V)	250V
degree of protection	IP55
provision for earthing	with earthing contact
method of connecting the cable	rewirable
type of terminals	screw type - screwless type (rigid and flexible)
degree of protection against electric shock	increased protection
existence of shutters	with shutters
method of application - mounting	flush-type
method of installation	design A
