CONFORMITY DECLARATION

We declare that the products satisfy the provisions of :
**The directive 1999/5/CE of the european parliament
and of the council of March 9th, 1999**

On condition that they are used in the manner intended and/or in accordance with the current installation
standards and/or with the manufacturers recommendations

Channel availability depends on local country regulations. Wireless LAN system administrator must choose
correct country of operation. Channels are then automatically configured to comply with specified
country's regulations.

These provisions are ensured for directive 1999/5/CEE by conformity to the following standards :

EN 301 489
EN 300 328
EN 60669-2-1
